

Poster “ Electrical & Electronics Engineering

MR ROKESH TECHNOLOGY

EEE Department

Powering the Future: EEE Careers in EV & Industrial Automation

FREE SEMINAR / WORKSHOP FOR YOUR COLLEGE

What Students Will Learn

- PLC ladder logic hands-on
- Electric Vehicle technology overview
- MATLAB/Simulink simulation demo
- Power systems & industrial careers

Hands-on Workshop Option

PLC Programming & HMI Simulation Lab

Learn ‘ Build ‘ Deploy ‘ Get Hired

Scan QR to Register ‘ Certificate Included

Training & Internship Programs ‘ 2 Weeks to 9 Months ‘ 53 Industry Tracks
