

Poster – Mechanical Engineering

MR ROKESH TECHNOLOGY

Mechanical Department

Design, Simulate, Manufacture: Mechanical Careers in Industry 4.0

FREE SEMINAR / WORKSHOP FOR YOUR COLLEGE

What Students Will Learn

- CAD 3D modeling live session
- ANSYS FEA simulation intro
- CNC programming overview
- EV & drone design trends

Hands-on Workshop Option

SolidWorks / CATIA 3D Modeling Marathon

Learn – Build – Deploy – Get Hired

Scan QR to Register – Certificate Included

Training & Internship Programs – 2 Weeks to 9 Months – 53 Industry Tracks
