

College Outreach Master Plan

July 2026

MR ROKESH TECHNOLOGY

College Outreach Master Plan

Workshops · Seminars · Bootcamps · MoU Partnerships

Goal: Land college events → collect leads → convert students into 2-week to 9-month training batches.

Tagline: Learn → Build → Deploy → Get Hired

Event Types

Type	Duration	Best For	Outcome
Expert Talk / Guest Lecture	1–2 hrs	HOD approval	Brand awareness
Seminar	3–4 hrs	Department-wide	Lead collection
Hands-on Workshop	1 day	Lab departments	Strong conversion
Bootcamp	2–3 days	Vacation / weekend	Paid signup
Skill Sprint	1 week	NAAC / elective tie-up	MoU discussion
Placement Prep Day	1 day	Final year	Batch enrollment
FDP (Faculty)	2 days	Faculty buy-in	Partnership

First visit formula: Free Seminar → 1-Day Workshop → 3–6 Month Batch

90-Day Plan

Weeks 1–2 — Prepare

- Print department posters & brochures (this kit)
- Prepare live demo per department
- Google Form: Name, Dept, Year, WhatsApp, Interest
- WhatsApp list per college

Weeks 3–6 — Approach (30 colleges)

Contact order: TPO → HOD → IQAC → Student club president

Mix: 10 engineering · 10 arts/science with IT · 5 fashion · 5 polytechnic

Weeks 7–10 — Deliver

- 2 events/week (seminar + workshop)
- End with free career assessment signup
- 7-day early-bird discount

Weeks 11–12 — Convert

Student	Offer
High interest	2-week Skill Sprint
Final year	3-month Job Ready
2nd/3rd year	6-month Professional
Stuck project	Track 12 Project Support

Standard 3-Hour Seminar Flow

Time	Segment
0:00–0:15	Intro + industry gap + MR ROKESH overview
0:15–0:45	Department topic teaching
0:45–1:15	Live demo
1:15–1:30	Break + QR registration
1:30–2:00	Career paths + salaries
2:00–2:20	Success stories / portfolios
2:20–2:45	Q&A
2:45–3:00	CTA: career assessment + early-bird offer

30-Second Pitch

*"Sir/Madam, I'm from **MR ROKESH TECHNOLOGY**. We run industry training across **53 tracks** — Full Stack, AI, Robotics, EV, Civil BIM, Fashion Technology with CLO3D, and more.*

*We'd like to conduct a **free [Department Seminar Title]** for your students — hands-on, certificate included, zero cost to the college.*

Our philosophy: **Learn** → **Build** → **Deploy** → **Get Hired**. Interested students can join **2-week to 6-month** placement batches after the event.

Can we schedule 2–3 hours this month?"

Department Flagship Titles

Dept	Seminar Title
All	Campus to Corporate: The 2026 Placement Roadmap
CSE	Full Stack to First Offer
AI & DS	From Data to Decisions
IT	Cloud, DevOps & Enterprise IT Careers
ECE	Smart Devices to Smart Careers
Cyber Security	Cyber Warfare to Cyber Careers
AI & ML	Building AI That Works
EEE	Powering the Future — EV & Automation
Mechanical	Design, Simulate, Manufacture
Mechatronics	Robotics Meets Reality
Civil	BIM & Beyond — Digital Civil Engineering
Fashion Technology	Digital Fashion Revolution

Event Kit Checklist

- ☐ Department poster (A4/A3)
- ☐ Department brochure
- ☐ Business cards
- ☐ Laptop + HDMI + extension
- ☐ Live demo (offline backup)
- ☐ Certificate blanks
- ☐ Registration QR (large print)
- ☐ MoU draft
- ☐ Fee structure sheet

Priority Outreach Order

1. CSE / IT — highest volume
 2. AI & DS / AI & ML — trending topic
 3. Cyber Security — high excitement demo
 4. Fashion Technology — visual, social media friendly
 5. ECE / Mechatronics — lab partnerships
 6. Mechanical / Civil — CAD labs
 7. EEE — PLC / EV simulators
 8. TPO — universal placement seminar (all depts)
