**Deliverables:** 3+ client case studies; referral/testimonial; job-ready portfolio folder.

---

## Assessment Rubric (Track-Specific)

| Component      | Weight | Criteria                                              |
|----------------|--------|-------------------------------------------------------|
| Weekly Quiz    | 20%    | Tool features, accounting concepts, GST rules         |
| Lab Completion | 40%    | Documents formatted correctly; Tally entries balanced |
| Project        | 30%    | Accuracy, professionalism, completeness               |
| Portfolio      | 10%    | Organized folder with all deliverables                |

---

## Recommended Resources

- Tally Prime Official Documentation
  - Microsoft Office Training ([support.microsoft.com](https://support.microsoft.com))
  - GST Portal tutorials (India-specific)
- 

## Appendix: Mentor Notes

**Common pitfalls:** Unbalanced Tally vouchers; Excel formula errors in financial sheets; inconsistent date formats; missing GST fields.

**Hardware:** Windows PC recommended for Tally Prime; Office 365 license required.

**Note:** Practical output checklists replace coding lab deliverables for this track.
